

# SCIENCE 21

## Unit 1: Using My Senses to Learn About and Appreciate Science

- How do our senses help us learn about familiar objects?

## Unit 2: Using My Senses to Learn About Me in My World

- How do we use our senses to observe and respond to the world around us?
  - How do our senses help us every day?

## Unit 3: Using My Senses to Learn About Other Living Things in My World

- How can we use our senses to learn about plants and animals?

## Unit 4: Using My Senses to Learn About Non-Living Things in My World

- How can we use our senses to learn about mixtures?
